Supply Web – How to check customer's demands.

<http://suppliers.deutzspain.com:8019/supplyWeb/account/login>

The screenshot shows a web browser window with the URL `suppliers.deutzspain.com:8019/supplyWeb/account/completeLogin#`. The page header includes the Infor logo and version information "Infor Supplier Exchange® 11.4.6.024." and a user ID "Provedor 99995". A navigation menu contains various options like Demand, Shipments, Receipts, Defective Materials, Delivery Performance, Parts Per Million, Supplier Performance, Document Management, and More... A search bar contains "Deutz Spain".

The main content area is titled "Demand Releases" and includes a "Releases" section. Below this is a "Selected Criteria" section with a table of filters:

Facility	Ship To	Ship From	Supplier Part	Customer Part	Document Type	Requirement Type	Status	Commitment	Published Since	Net Change
All	All	All	All	All	All	All	All	All		

Below the criteria is a "Demand Information" section showing a table of demand records. The table has columns for checkboxes, Net Change, Schedule, Viewed, Facility, Ship To, Ship From, Customer Part, Supplier Part, Dock, and Document Type. Two records are shown, both with "Material Release" document types. The second record has a pair of glasses icon in the "Viewed" column, which is highlighted by a blue arrow pointing to a callout box.
